# ABOUT THE BOOZE...

## **Mead of Suttungr**

In Norse mythology, the Mead of Poetry is a mythical beverage that whoever drinks becomes a skald or scholar". Lavender infused Gin combines with locally sourced wildflower honey and fresh lemon into his sweet, floral nectar.

## **Clover Thyme**

Straight off the streets of Philadelphia, Raspberry and Thyme star in this twist on a classic gin sour that pre-dates Prohibition.

## **Rhubarb & Ginger Collins**

Wild Fennel infused Gin swizzled together with Rhubarb, ginger and Lemon. Served long over ice and spiked with soda.

## **Schwarzwald**

With each sip of this woodland martini, the 47 botanicals of Monkey 47 will take you a long walk through the Black Forest. Smokey sweetness from the charred sage syrup compliments the flavour packed gin, all balanced with wild vermouth and fresh citrus.

## **Malmö**

Our Scandinavian cosmopolitan with lemon balm infused vodka pairing with lingonberry syrup. Smooth lemon and vanilla flavours pop with the sweet tartness of the berries.

## **Charlie Davidson**

Housemade Davidson Plum gin, apricot brandy and fresh lime juice. Sweet and sour and perfectly balanced to ride off into the sunset..

## **Dark & Stormy**

Ginger, galangal and kaffir lime flavours bring depth and heat to this popular rum based drink.

## **Mai Chai**

Ruby Chai infused rum, housemade falernum, fresh lime and grapefruit juice shaken and dropped short into this Tiki favourite.

## **Rocky Vane**

Perhaps Western Australia's most famous snake charmer, introduced tiger snakes to Carnac Island after the suspicious death of his wife and her lover. This Rattlesnake inspired sour mixes aniseed myrtle infused rye whiskey, lemon juice and molasses.

## **SKØLada**

Escape the bubble with our pina colada. Pandan and lemongrass work with rum, coconut, fresh lime and pineapple in this classic drink. All topped off with a sweet kaffir lime foam.

## **Maple Bacon Old Fashioned**

Smoked bacon infused bourbon and maple syrup stirred down and served up.

## **Kópakonan**

Selkies are mythological Norse sea folk, able to transform from seal to human form. The Legend of Kópakonan tells of a farmer who steals the skin of a young selkie woman to make her his wife, who upon escape curses all seafarers. Straight out of the ocean, aquavit, seaweed, foam and salt. A taste of the sea, on a summers day.

## **Aquavitiz**

Aperol and aquavit spritz with fresh orange and grapefruit. A perfect to salute the sun.
